LUMACORE

**HOYA Polarized Lenses with
Lumacore™ Mirrors –
Durable.
Comfortable.
Stylish.**

HOYA
FOR THE VISIONARIES

New

Why should you buy HOYA Polarized Lenses with Lumacore™ Mirrors?

- **Long-lasting performance**
Unlike regular mirror lenses that scratch or deteriorate over time, Lumacore Mirror is built into the lens itself.
- **Scratch resistance**
No peeling or scratching. Engineered to resist daily wear.
- **Superior visual comfort**
Reduces glare and improves contrast for clearer, more comfortable vision.
- **Effortless maintenance**
Easy to clean and care for.
- **Stylish and functional**
Bold mirror colors that stay vibrant and fresh with durability.

Lumacore Silver Mirror

Lumacore Gold Mirror

Now available in two color options:

Silver mirror with gray polarized base and Gold mirror with brown polarized base.
